Address

Salutation,

Upon review of our records, it has been determined that you have been on inactive status for more than a year. Club bylaws allow a member to be placed on inactive status for one year.

Records indicate that you have moved from the area. Typically, an inactive member would be moved back to active status automatically. Due to your unique circumstances, we will resign your membership unless you contact us within two weeks to be placed back on active status.

Thank you for your past membership with our Club and your commitment to the Rotary way of life.

Sincerely,

Melissa Meechan  
Secretary
